

BIO

Tricia West, RN, BSN, MBA/HCM. CHN. PHN, LNC – CEO P.J. West and Associates, Inc. Since 1980, Ms. West has been a legal nurse consultant supporting the legal profession in all areas of practice, including medical malpractice, personal injury, elder and dependent abuse, criminal, and billing fraud.

Since 1980, Tricia and her company, P J West and Associates has worked with attorneys all over the United States reviewing and evaluating cases for both the plaintiff and defense for malpractice, elder abuse, personal injury, product liability and billing fraud. Tricia creates Life Care Plans where in patients with serious and often catastrophic injuries need plans to address the medical care they will need for the remainder of their lives and the associated costs. It was between her experience as a critical care registered nurse and creating Life Care Plans for brain injured persons that Tricia became particularly interested in addressing the intense and special needs for brain injured person.
