

Julia Herrmann, PhD

Position title: Medical Science Liaison

Affiliation: Medical Affairs, Avanir Pharmaceuticals

Talk Title: "Pseudobulbar affect in brain injury"

Bio: Julia Herrmann is a scientist in medical affairs at Avanir Pharmaceuticals. She provides medical education to healthcare providers, patients, and their families on the signs and symptoms of a neurological condition called pseudobulbar affect. She holds a PhD in Neurobiology from UCLA, where she studied cellular responses to central nervous system injury. Avanir is a biopharmaceutical company focused on bringing innovative medicines to patients with central nervous system disorders of high unmet medical need.
