

Cindy Pahr, M.Ed., CBIST,
Educational Consultant; Brain Injury Services Coordinator SDUSD,
EduCLIME, LLC

Cindy Pahr has experience both in special and general education teaching, training and curriculum development for over 30 years. She has a master's degree in Special Education and is a Certified Brain Injury Specialist Trainer. She is the Brain Injury Service Coordinator for San Diego Unified School District and the founder of EduCLIME, LLC, a company focused on brain-engaging strategies for students with learning difficulties and brain injuries. Ms. Pahr provides training, consultation and instruction to support students with brain injuries and their families. She is a member of the Academy of Certified Brain Injury Specialists Board of Governors, the San Diego Brain Injury Foundation, and the TBI Guidelines Committee for the Brain Injury Association of America.
